

RUINED

GPA WORSHIP

Key of D

VERSE 1:

As the train of Your robe
Fills the temple with Your Glory
Suddenly I am aware You are holy
My guilt and sin exposed in the light of Your eyes
How could I stand before the Almighty?

PRE-CHORUS:

But I'm here and You're here
I can't look away

CHORUS

Your eyes like fire, feet like bronze
Voice like thunder, face like the sun
You're God Almighty, Matchless One
Pure and holy, I am overcome

VERSE 2:

As my lips meet the flame
Of Your presence You cleanse me
Suddenly I am aware, I am holy
My guilt and sin erased by the touch of Your fire
Now I can stand before the Almighty

CHORUS 2

On Your head are many crowns
A double-edged sword comes from Your mouth
An emerald rainbow surrounds Your throne
Flashes of lightening fill the Temple

INTERLUDE:

Oh, You fill the room
Oh You fill the room
You fill the room

BRIDGE:

I am ruined
For my eyes have seen the King
I am undone
For I've seen Your majesty
And I'll never be the same

OUTRO

I am ruined
I am ruined
